LPDP Panther Prints

Classroom News

Caterpillars- Happy May everyone. With the warmer weather, we will try getting outside as much as possible as long as it's not too hot. Please keep me informed and updated on your child's needs. We have some really cute crafts planned this month. If you have any questions, let me know. -Miss Lindsie

Cubs- Hopefully April snow will bring May flowers! Please make sure your child has sunscreen as it will be applied daily, also we will be needing swim/water gear for water days that will be coming up. Our curriculum this month will be colors! Please try and get your child's "about me" filled out and returned. Let me know if you have any questions or concerns. Have a great month. -Miss Taylor

Pandas- I can't believe it's already May! This year seems to be flying by. We have a couple new friends who have moved up from the Cubs room and we are so excited to have them with us. This month we will be doing lots of spring themes for art and we will continue working on our shapes and alphabet. As usual we will be going outside as much as possible so please bring jackets when needed. -Miss Anna

Butterflies- Can't believe we are in May already. This month we are going to work on the kids' self help skills! These will include, putting on and zipping their own coats, buttoning their own pants, putting on their own mask, etc. Please practice mastering these skills at home as well. If you have any questions, let me know. -Miss Baylee

Cheetahs- Wow! It's hard to believe the school year is over already. We have had so much fun and we are definitely ready for warmer weather. I have a few more fun things planned before the school year ends. Themes for the month include: farm, caterpillars and butterflies, frogs and toads and camping. A few important dates to remember: 5th- Graduation field trip for the 4 year old program; 12th- graduation and 4's last day; 13th- 3's program; 14th- 3's last day. More information regarding these dates will be sent out soon. -Miss Heidi

Panthers- It's the final countdown! Everyone is excited for the school year to come to a close. A summer letter will be sent out this month with some information. We do plan on doing a few field trips through the summer so we will keep you updated on that as well! -Miss Brooke

Mothers Day

We have made the decision for another year, due to Covid, we will not be doing Muffins for Moms. We will however have something else planned for all of our moms to grab at either drop-off or pick-up at your convenience on Friday May 7th.

Directors Note

I can't believe that May is starting which means school will be out at the end of the month and so our summer will begin.

Thank you for getting us the summer enrollment forms back; Brooke has been busy figuring out the summer schedules and activities.

We are hoping to actually break ground on the new addition in July with lots of dirt work beginning soon. We are so excited for this but we all know it will take a while to get completed as well as a few "obstacles" we will have to figure out. But as always our most important objective is to make sure that your child/ren are receiving the best care possible while they are here.

Holiday Closing

We will be CLOSED Monday May 31st in observance of Memorial Day

Website

Have you checked it out lately? Brooke has worked hard at getting the site updated with current forms, weekly menus, newsletters and updated staff and classroom information! There is still work to be done but we wanted to make this a more informative site for all of our current and potential families.

You can check it out at:

littlepantherdaycare.com

New Logo

We have changed our logo and are starting to use it now. The four paws represent the four necessary components that make us successful- **OUR FAMILIES WHO ENTRUST THEIR CHILDREN TO OUR CARE, OUR EXCELLENT LPDP TEAM, OUR COLLABORATION WITH OUR SCHOOL DISTRICT, AND OUR COMMUNITY SUPPORT. WE NEED ALL FOUR OF THESE ELEMENTS TO CONTINUE TO BE SUCCESSFUL.**
