February 2022

Classroom News

The Caterpillars: Hey all you cool cats & kittens! Can't believe we are in month two of the new year! We will be working a lot on tummy time and rolling over with some of our friends. Please be sure you are checking Procure for any notes or messages. If you have any questions or concerns, please feel free to ask. Thanks -Miss Baylee

The Cubs: Happy February! Hopefully the sickness will leave most of us alone this month! Our theme for the month will be all about love in honor of Valentine's Day! Have a great month. Thanks -Miss Taylor

The Pandas: Hello February! This month we will be working on Valentine's themed crafts and working on our shapes and colors. Please remember to bring all snow gear so we can get outside on nice days. If you have any questions or concerns, let me know. Thanks -Miss Anna

The Butterflies: Happy February! I cannot believe that the first month of 2022 is already over. Although, that being said, I am very excited to see what February has in store for us. During this month, we will be learning about feelings, Valentine's Day, acts of kindness and community helpers. Please let me know if you have any questions or concerns. Thanks -Miss Holly

The Cheetahs: February is here! It is cold out! We've enjoyed the snow so far. Please continue to bring snow gear. If we don't go outside, remember, they still need gear for walking up to big school. I have some fun things planned for February. Our themes include Groundhog's Day and shadows, dental health, Valentine's, space and Dr. Seuss. Along with the letters R-V. Reminder, there is NO SCHOOL Feb. 18th. Have a great month. Thanks -Miss Heidi

The Panthers: We're having fun in the Panther room! With the weather being cold, please continue to bring ALL your child's snow gear as they walk up every morning, even on no school and late start days. Please look in your child's cubbies each evening and take home any papers/art they may have. Please keep us updated of any absences. There is NO SCHOOL Feb. 18th. Thanks -Miss Lindsie

Directors Note:

It's been extra noisy round here lately which is a good thing. I have to admit the Pandas are great about sleeping through the noise!!! Parent's won't be seeing much of the construction going on now that it is all enclosed but things are really moving along and we are hoping for our opening to be in early spring!

Have you checked out our Facebook page to see the shirts that you can purchase for yourself and kids! People have been commenting on the staffs' new shirts so we decided to offer them to anyone who wants to help support us. Looking forward to seeing these shirts worn all around town!

We will be sending home informational sheets on ways to help children deal with their feelings. Partnership 4 Families is providing this information through Sesame Street Communities Social Emotional Development outreach program. There is a lot of informative information and I look forward to reading all of it. There is a website you can visit also ssic.org for more information and home activities.

Valentine's Party:

Our classroom Valentine's parties will be held on Wednesday the 16th around 10a.m. The daycare will be providing a snack and drink. Your child is welcome to bring Valentine's to pass out to their classroom friends. I will be sending out classroom lists along with allergy information. Each child will decorate a bag/box during art so you do not need to provide one.

Preschool Conferences:

Conferences for both 3's & 4's will be held in the evenings on Monday March 7th and Tuesday March 8th. Heidi will be putting a sign-up sheet on her classroom door.

♥ happy ♥
Valentine's
